Business

- **Awareness Night:** Belinda Cameron reported that a multidisciplinary sub committee has been meeting to develop plans for a Substance Abuse prevention & awareness event. It will be held Sept 15 at KGHS. A grant was written and will be received from DOSC. It will be awarded on May 21st. The evening will feature booths from local recourses as well as a keynote speaker. Members of the committee are asked to make plans to help. We will also be attending KG National Night Out to assist and hand out flyers about the event.
- **Teen Pregnancy Resources:** Lisa Tate reported that the sub committee had a productive meeting but that she was having trouble getting information from KG DSS. The goal is still to have an informational brochure developed by the Fall.
- **School Nurse Recognition:** Loretta McMahan a retired KGCS school nurse was in attendance and recognized for her years of service. All the current KGCS school nurses were recognized at the May 11th School Board meeting.

Information Items & Round table Discussion

- Dr. Gamache brought up that KGCS consider developing a Narcan policy
- Nurse Cameron will be attending the PD 16 meeting on May 20th and will provide information on a Narcan policy/standing orders that is being developed by Dr. Peter Smith.
