 - Review of Prevention Awareness Night
 - Narcan Protocol
 - Review of Summer Feed and Dine on Us
- **Informational Items & Round Table Discussion**
 - Report of local health concerns from committee members
 - Report on PD 16 activities
 - Report on Summer Conferences

Business

- Prevention Awareness Night 2016 -- all members felt like evening was a success. Committee discussed ideas to increase attendance. One idea was to incorporate it into the Freshman Transition.
 - Narcan Protocol -- PD 16 standing orders and NASN position statement were shared with committee. Belinda Cameron will contact Chief Moody to obtain data on local use of Narcan.
 - Summer Feed and Dine on Us - Anita Davis gave a report on the success of both programs and the plans to expand the Dine on Us to the elementary students.
-

Information Items & Round table Discussion

- Lisa Tate expressed concerns over limited resources for our students that are pregnant or parents. Lisa also expressed concern over the difficulty navigating the systems for gaining assistance. The committee discussed some of the barriers to these students being able to complete high school. Committee members will research local resources and report back at the December meeting.
- Crisis Management Plan Updates 4 new AEDs were purchased for the division. 1 for the bus garage, 1 for the KGHS stadium, 1 to replace an old one at KGMS
- Planning District 16 meeting -- Lisa Tate represented KGCS and brought back sign protocols for narcan. More research is being done on this protocol.
- Judy Kulynych reviewed some of the Health Dept responsibilities for emergency storm prep.
- All committee members expressed concerns over growing opioid use and households not properly storing or disposing of medications. Committee seeks to look for more ways to provide this information to families.
- Conference reports: Ryan Osborne & Kristi Brouillette attended the Summer Institute for School Nurses at Longwood University;
