In Attendance: Hillary Haff Kristine Hill David Vogel Rachel Patch Lenore Ale
Casey Holbrook Yvonne Richard William Richard Carrie Gonzalez Jenny Schill
Jennifer Lorentz Jenna Bowen

Agenda

1. Welcome
2. What's Going On? Hot Topics/Current Needs
 - a. KGES
 - i. Touchview is going well. 1 board has issue with turning off but may be a internal mistake with setup
 - ii. When will laptops be coming? Sealston first then KGES. Also PCs at HS.
 - iii. Zearn Math- was freezing on CBs but may be due to updates
 - iv. New digital sign coming soon!
 - b. PES
 - i. Laptops being distributed, so far all are happy with the transition!
 - ii. Boards are being used in many different ways. Older grades are not using the pen but some younger grades are. Mimio has videos- a John TraVOLTa video that teaches about static electricity.
 - iii. New front door installed- seems to be working well
 - iv. Camera not working on google meetings- eshare issue?
 - v. Mimio won't allow google slide upload- have to export as powerpoint
 1. Conversation expanded to Google vs. Microsoft products & preparing students for use on both systems
 - c. SES
 - i. 2 teachers have boards
 - d. KGMS
 - i. No rep present
 - e. KGHS
 - i. Math wing door (24) still not working (part on order?)
 - ii. Some wifi complaints in english & math halls
 - iii. Touchview panels- 2 for checkout & 2 in math classrooms (going well)
 - iv. Video Production Room- everything was unplugged & in totes(from end of year?)- Guyett & Wynes fixed everything
 - v. Nurses Aid program will potentially be purchasing some electric mannequins (connect to iPad & monitor)
 - f. Preschool
 - i. Enjoying their boards, all is good
3. Assistive Technology Committee - Initial Meeting (Vance, Haff, Ale represent Tech Dept)
 - a. Wide range of needs
 - b. New form & process coming for ALL software requests

4. PES Laptop Transition
 - a. See above
5. Interactive Panel Update
 - a. See above
6. VSTE Conference
 - a. This weekend!
 - b. Yvonne and Casey presenting (YAY!)
 - c. A lot of AI sessions - ITLs have been directed to attend sessions on how AI is being controlled/utilized in classrooms at both the elementary and secondary levels
7. Budget
 - a. Building budget for next year
8. VDOE CS Update
 - a. Industry Stakeholder Review 2024
 - i. Late October did not get great response, sending another in January
 - b. April 2024 - 1st Review
 - c. Public Hearing - April - May
 - d. June 2024 - Final Adoption
9. Digital Signage Division Option
 - a. Researching new software for kiosks- safety & security messages for students
10. Current Requests for Proposal- 3 currently active
 - a. Updated switch hardware & access points- 7 vendors attended mandatory walkthrough on 11/29 visited every building & every closet
 - b. Fiber Marking
 - c. Bus Garage WAN
11. Technology Plan - Review quarterly/edit as necessary
12. Upcoming Events/Dates
 - a. UMW Maker Mindset Saturday, February 24, 2024- registration opens soon (tomorrow?)
 - b. STEAM Night March 7, 2024- emails went to prior contacts this week. Need to get word out to staff for presenters.
 - c. HS Innovation Challenge- March 1 & 2 @ UMW Dahlgren
13. QR Code to badge with 9000 and bday
 - a. Phasing out QR code login so next year will only be K using QR codes. Students use the same CB every login so after the first login they will just need DOB.
 - b. Will need to do mail merge with PS export for teachers to hold on to the cards with 9000 and DOB (before end of semester)
