

DISTRIBUTION OF INFORMATION/MATERIALS

King George County Schools has established limited distribution of materials of information for organizations other than schools, parent-teacher organizations, and booster clubs. KGCS permits distribution of materials or information by such nonschool organizations only as described in policy KF.

All informational flyers regarding community activities for children and families, sponsored by nonprofit organizations or governmental organizations received by the school division must be approved by the superintendent or superintendent's designee. After approved, materials shall be distributed through the following means:

- Available for Electronic Distribution - The process used to electronically distribute approved materials to families through a King George County Schools authorized electronic distribution system.
- Posted or Available within School Buildings - Per request, approved materials can be available in a designated school area of the principal's choice.

All materials for distribution must be clearly marked to indicate their source and must include the following statement: "These materials and the activity described herein, are not sponsored or endorsed by the King George County School Board."
