

KING GEORGE COUNTY SCHOOLS

EMPOWER ♦ ENGAGE ♦ INSPIRE

Greetings!

For the last nine years King George County Schools has hosted STEAM Night. King George County Schools is excited to hold our in-person STEAM Night on March 9, 2023 at King George High School from 5:00 - 7:00.

We are currently looking for partners to join us in making this event a success for our students and families. We plan to have teachers and community members sharing engaging STEAM activities with our students. This year our Career and Technical Education (CTE) Teachers will participate again and provide opportunities for our students and community to learn more about STEAM and the KGCS CTE program.

Would you be interested in joining us by providing an engaging activity or demonstration tied to real world applications and the skills found in the workforce?

If you are interested in participating, please complete [this form](#) so that we can ensure we have the best event possible. Our deadline to complete the form is January 27th. Should you miss this deadline, feel free to reach out to us directly at the email below. If you aren't able to participate in person, but would like to help by providing STEAM materials, Career/STEAM information or by contributing a monetary donation, please contact khill@kgcs.k12.va.us.

We are looking forward to hearing from you soon.

Best Regards,

Kristine Hill
Supervisor of Secondary Instruction
